Electrotechnische Vereeniging

NetID

- One log-in for everything

- Received by mail
- Activate on **e-service.tudelft.nl**

- Typically: 'initials + surname'
  - Without '.' (dots) in between, unlike your e-mail
  - Ex. grekers

- Used to log in on TU Delft PC's, TU Delft Single Sign-On (for Brightspace, Osiris, etc.)

- Change password on **password.tudelft.nl**

Eduroam WiFi connection

- Worldwide Wi-Fi network at educational institutions

- Login with '**NetID@tudelft.nl**' and your password

- Android
  - Set EAP to PEAP
  - Set Phase 2 to MSCHAPV2
  - Set domain to 'tudelft.nl'
  - Set CA certificate to 'Use system certificates'
- Other OS'es work out of the box

Electrotechnische Vereeniging

Power outlets and (virtual) PC's

- Power outlets
  - Large lecture halls (Ampere, Boole, etc)   →   Outlet available
  - Small lecture halls (Lecture F, G, H, etc)   →   Probably NO outlet available

- Limited study places with PC
  - Except for the Tellegenhal;
  - Better bring your own!

- No fancy laptop required

- Virtual desktop
  - Citrix receiver app
  - **weblogin.tudelft.nl**   (ideal if you like Linux but need to use Windows-only software)

Electrotechnische Vereeniging
